OSSWA Spring 2011 Workshop: School Social Workers as L.E.A.D.E.R.S.

Join us! Come spend the day with colleagues from across the state to learn about social work leadership in schools through the intervention process, and great techniques for self-care!

We will be joined by experienced professionals who will share their expertise related to school social work leadership in the Response to Intervention process, on a macro level, and in the 504 planning process. The afternoon will provide an opportunity to learn about innovative ways to be at our best even with the never-ending demands of practicing school social work today!

Awards for School Social Worker of the Year and Friend of School Social Work of the Year will be presented during lunch.

We hope to see you there!

Friday May 20th, 2011, from 8:00 a.m. — 4:00 p.m. at the Nationwide and Ohio Farm Bureau 4-H Center, located on the campus of The Ohio State University at 2201 Fred Taylor Drive, Columbus, OH 43210.
