The 50th Annual Midwest School Social Work Conference

“From Punishment to Progress: Breaking barriers to academic and behavioral success”

Dear Sponsors, Exhibitors and Advertisers:

The Ohio School Social Work Association (OSSWA) and the Midwest School Social Work Council are excited to bring the 50th Annual Midwest School Social Work Conference: *“From Punishment to Progress: Breaking barriers to academic and behavioral success”* to Cleveland, Ohio! The event will be held on October 12 and 13, 2017 at the beautiful Wyndham Cleveland at Playhouse Square. Professionals in the fields of School Social Work, Education, and Mental Health from Ohio and several other Midwest states are expected to attend.

We would like to provide this opportunity for you to show your support for the continuing education of those who dedicated their careers to improving the lives and education of children across Ohio and the Midwest. Your support could include a monetary donation, in-kind gifts such as folders, bags, pens/pencils, etc., or the purchase of exhibitor tables to promote your business or organization. Through your generous donations, we will be able to provide our conference attendees with amazing keynote speakers, training workshops led by industry experts, as well as practical tools and materials attendees can use in their day-to-day work with children. Details about various levels of support can be found on the attached document. All donations are greatly appreciated and will be of direct benefit to conference attendees and the children they work with every day!

We thank you in advance for your support of the people who work diligently for children and families not only in Ohio, but throughout the Midwest.

Sincerely,

Michele Patak-Pietrafesa, MSW, LSSW, LISW-S
