

SSWAA ACTION ALERT

TELL THE SENATE TO PASS THE AMERICAN DREAM & PROMISE ACT

Background: The House of Representatives has passed the American Dream and Promise Act (H.R. 6), so now we are turning to the Senate. Two Senate bills – S. 874 and S. 879 – provide a pathway to citizenship for Dreamers brought to this country as minors, Deferred Action for Childhood Arrivals (DACA) recipients, and people granted Temporary Protected Status (TPS) for humanitarian reasons—populations that included tens of thousands of educators across the country.

TAKE ACTION: Email your senators and tell them to support the Dream Act of 2019 (S. 874) and the Safe Environment from Countries Under Repression and Emergency Act (S. 879).

MESSAGE/TEMPLATE:

"As a constituent and a school social worker, I urge you to support S. 874 and S. 879 to provide a permanent solution and pathway to citizenship for Dreamers, DACA recipients, and TPS holders. Dreamers are our friends and neighbors—one in four DACA recipients is the parent of a U.S. citizen. They have been living with fear and uncertainty for far too long. They deserve better.

[INSERT PERSONAL STORY, if you have one from your district.]

Please support S. 874 and S. 879. Thank you."

Sincerely,
